

OSA 1166-62
14 September 1962

MEMORANDUM FOR: Chief, Materiel Division, OSA
SUBJECT : Procurement of Single-Sideband
Equipment for Project OXCART

25X1A
1. The Communications Staff, OSA, has a requirement for additional Single-Sideband equipment for use in support of Project OXCART. This gear will be used for monitoring SSB communications for the interim until a complete single-sideband station can be installed and declared operational at [REDACTED]. It is requested that procurement action be initiated for one each 51-S1 SSB Receiver. This item is not in Agency stock. Approximate cost is \$1,500.00. The manufacturer is Collins Radio Company, Cedar Rapids, Iowa.

2. Applicable allotment for this procurement is 3161-2006-5310. This equipment should be delivered to Room 6B003 Langley for testing and modification prior to releasing it for field usage.
